Professional Service of Funeral Director and Staff \$1,995.00

Our fee for the services of funeral director and staff includes, but is not limited to staff to respond to initial request for service; arrangements conference with the family or responsible party; preparations and filing of necessary authorization and permits; recording vital statistic; staff assistance prior to, and following the funeral, including coordination with those providing other portions of the funeral, e.g. cemetery, crematory and others as required. Also included in this charge are overhead expenses relative to our facility such as insurance, maintenance and utility expenses, secretarial and administrative costs, and equipment and vendor expenses.
